List of Seminars/Workshops Conducted at KVSR Siddhartha College of Pharmaceutical Sciences during 2015-2019

S. No	Dates		Name of the Seminar
	From	To	.
1.	29 -7-2015	30-7-2015	Two-day National Seminar on "Applications of Green Chemistry in Sustainable Development (Pharmacojignasa-2015)
2.	11-9-2015	12-9-2015	Two-day workshop on "Recent Trends in Experimental Pharmacology (Pharma Trushna-2015)".
3.	19-9-2016	17-9-2016	Ministry of Non-Renewable Energy (MNRE), DST, Govt. of India and Canara Bank sponsored a two-day national seminar on "Solid Waste Management-Issues, Challenges and Opportunities"
4.	8-3-2017	9-3-2017	DST Sponsored Two-day International Seminar and workshop on "Drug Development and Delivery Aspects for Paediatric and Geriatric Patients".
5.	22-9-2017	23-9-2017	Two - day national Seminar on "New Horizons of Green Synthetic and Analytical Techniques"
6.	23-10-2017	-	National Seminar on "New Trends in Drug Metabolism & Pharmacokinetics in Preclinical Research"
7.	2-2-2018	-	National seminar on "Cancer Management: Pharmacist Role and Expectations"
8.	16-02-2018	-	National Seminar on "Drug Delivery Aspects of Biologics/ Macromolecules"
9.	28-2-2018	-	National seminar on "Herbal Drugs as Valuable Therapeutics & Supplements" on 28th February 2018
10.	15-3-2018	-	A national seminar on "Molecular Modeling: In Silco Tools in Target Identification and Drug Discovery"
11.	8-10-2018	–	Workshop on Bioanalysis in Pharmacokinetic Studies
12.	3-11-2018	–	National Workshop on Conceptual Learning and Training on Physiological and Pharmacological Techniques
13.	12-03-2019	–	Novel Approaches in the Management of Cardiovascular Diseases
14.	16-03-2019	–	National workshop on Modern Analytical techniques organized by Department of Pharmaceutical Analysis

15.	22-03-2019	–	Recent Trends in Particulate Drug Delivery Systems organized by Department of Pharmaceutics and Biotechnology
16.	28.03.2019	30.03.2019	Entrepreneurship Awareness Camp
17.	16-4-2019	17-4-2019	Safeguarding environment Through Ecofriendly and Sustainable chemical Methods
18.	18-4-2019	-	Importance of Process Chemistry in Drug Discovery and development
